PRESIDENTS MESSAGE by Jerry Majer

Can you believe 2022 is half gone? Time sure flies by when you are enjoying life. I wonder how many “oops” have been reported to our Awards Chairman, Bill Norris? Have we been good?

June was once again a busy month for the club with all the fun events taking place. A big thank-you for all those who organized and put these events on. Was not the BBQ at Chris’ home in Desert Hot Springs during our F.I.T.S. delicious? And I heard that Bob & Claire’s nibbles for breakfast were a hit. It is members such as these, and those who participate, that make this club successful, fun, and enjoyable to be a member of.

You may have noticed on the front page of our newsletter that we now have the link for a “CHOC donation”. This has been set up with our charity liaison, Jim Gardner, and CHOC representative. This will allow members who are not able to attend our general meetings a chance to give to our club charity, **CHOC**. You have the option of a single or monthly donation and to remain anonymous, if you desire. Should you have any questions, I am sure Jim would be happy to answer them.

I want to wish everyone a very **Happy and Safe 4th** of July as we celebrate the **Birth of our Independence**. Linda came across an awesome suggestion – instead of buying fireworks why not buy a bag of dog food and donate it to a shelter; the dogs would much more appreciate a meal than the unsettling fireworks.

Until next time, keep it safe!

Jerry

VICE PRESIDENT REPORT by Dick Bottis

Summer is here and the year is now half over. CSC has been busy these past few months and it looks like summer will be busy as well.

June 2nd -4th Bob Sawko led us to Palm Desert for FITS. It was a great event culminated with a dinner at Chris Dawson's home. We also held our annual John Kimes Memorial Cruise to Woody's Diner on June 22. It was well attended with 30 CSC members in attendance. Lee Lieberg led a cruise to Hero's Hall at the OC Fairgrounds; Linda and I couldn't attend but I heard it was a great event.

July looks to be a slow month with only one event scheduled, Bob Sawko's OTRA to Northern Nevada July 10th - 17. If you know of any possible events that might be of interest to CSC members let me know and I'll try to help you put something together. However, there is one important date, July 1st. That is the date you can mail your room preferences and deposit for our 50th Annual Cambria weekend.

August will be another busy month with Box seats at the Angels game August 2nd, sponsored by Herb Farrington, the OC Vets Poker Run August 13th, sponsored by yours truly and Miniature Golf August 20th, sponsored by Sal and Teresa Cruz.

September is another busy month with Trophy case cleaning at Coast Corvettes September 17th sponsored by Bill Norris and September 24th Jerry Majer and I will lead a caravan to the OC Fair ground for the 2022 Crusin' for a Cure.

I am still finalizing next years On the Road Event (OTRA) to the National Corvette Museum (NCM) for the 2023 NCM BASH in late April. If you are interested in joining us for this event let me know and I will put you on the information emails.

We are still looking for volunteers to support the 4th Annual American Legion Car and Truck Show. If you would like to help, please contact me.

We have six committees:

- Registration (Dick Bottis Chair)
- Fund Raising (Herb Farrington Chair)
- Judging/Tally (Lee Stacy Chair)
- Parking (Bill Norris Chair)
- Food & Beverage (Melinda Clare Chair)
- Cleanup (Bob Sawko Chair)

See the CSC Event Calendar for additional information.

Till next month:

OTRA 2023

Michelin NCM Bash

by Dick Bottis

Next April I will be leading a caravan to the National Corvette Museum for the annual Michelin NCM Bash. This event is held annually and is one of the premier events hosted at the museum. This event kicks off the NCM onsite event season and is usually the last weekend in April (27 – 29).

During this event there are usually seminars and classroom sessions. Seminars will usually feature presentation by the Bowling Green Assembly Plant, Michelin, and Mobil 1. There are also classroom sessions conducted by Corvette engineers. There are product demonstrations by the Corvette Store partners, live auctions, book signings, and the museum usually offers guided road tours around Bowling Green area. This is just a sampling of what this event entails. Also, GM usually shows off new models, paint colors, etc. that may be coming out soon.

I am planning on leaving Southern California Friday April 21st and returning Monday May 8th. I have put together a tentative plan which I will outline below. Remember this plan is subject to change but I hope to be able to stop and do some sightseeing at these locations.

Day 1 Depart So Cal and drive to Tucson AZ

Day 2 Tucson, AZ to Van Horn TX

Day 3 Van Horn, TX to Fort Worth, TX

Day 4 Fort Worth, TX to Memphis, TN

Day 5 Memphis, TN to Gatlinburg, TN

Day 6 Gatlinburg, TN to Bowling Green, KY

(driving through the Great Smoky Mountain National Park and Tail of the Dragon)

Day 7-9 NCM Bash Bowling Green, KY

Day 10 Bowling Green, KY to Branson, MO

Day 11-12 Branson, MO

(Some possibilities: Shows, River Boat dinner cruise, and cruise to Dog Wood Canyon)

Day 13 Branson, MO to Kansas City, KS

(Harry S Truman Presidential Library and the C.W. Parker Carousel Museum)

Day 14 Kansas City, KS to Abilene, KS

(Dwight D Eisenhower Presidential Library)

Day 15 Abilene, KS to Dodge City, KS

(Boot Hill Museum)

Day 16 Dodge City, KS to Santa Rosa, NM

Day 17 Santa Rosa, NM to Williams, AZ

Day 18 Williams, AZ to So Cal (Home)

I am still in the planning stage, but this is the current plan. If you are interested, please let me know. There will also be a sign-up sheet at the General Membership meeting. Once on the sign up I will keep you posted on any changes and provide you with the hotel information.

TREASURER'S REPORT by Herb Farrington

CSC Finances

Our club's finances continue to be in good shape; we are on budget. I have the current CSC financial report available for review at every General Meeting. All members are welcome to review and ask me questions about it.

Thanks to the Kimes Memorial Cruise & Dinner participants for contributing \$105 towards our CHOC fund. We are on a pace to raise about \$1500 this year for CHOC.

Attendance Drawings

At each month's General Meeting, we have an "Attendance Drawing" where a CSC member's name is drawn and announced. If the member is in attendance, he/she wins the money in the jar. In the past year, payouts have ranged from \$5 to \$25. So far this year, 3 members have missed out on their prize money because they were not present. Perhaps they are social vegans; don't be one of those, attend our monthly meetings.

Our next General Meeting will be July 28 and the Attendance Drawing prize will be \$20

SECRETARY'S REPORT by Melinda Clare

BOARD MEETING: The July board meeting is July 20th at the Norris' shop at 6:30pm. The meeting may start earlier if everyone expected attends.

GENERAL MEETING: The July general meeting is scheduled for Thursday, July 28, 2022, at the American Legion Hall at 7:30pm.

HUNGRY? The fourth Thursday of the month is taco night at the American Legion. Please consider supporting the legion for dinner. Frank's tacos are AMAZING. Cost per plate is about \$6.00 and includes rice and beans. Service begins at 5:30pm until they run out (and they do run out!) See you there.

VOTING

The voting criteria for Rookie of the Year is still being discussed. As soon as we have definitive guidelines, they will be published.

Happy Corvetting!!!

MEMBERSHIP REPORT by Anita Farrington

Happy Summer! Hope you're all enjoying the warm weather.

Several fun activities were enjoyed this month. Our FITS weekend was lots of fun, thanks to Bob and Claire. Our day trip to the Patton Museum was very interesting and our twilight tram ride on the Palm Springs Tramway was very exciting! I have to admit, I was a bit afraid but ended up really enjoying the ride. Spectacular views from the top! We also had a delicious Bar-B-Que tri tip dinner at Chris Dawson's beautiful home in Palm Desert. She really outdid herself. Thanks so much Chris and your crew of helpers.

This past week we went to Woody's Diner for the John Kime's annual memorial. Lots of money was raised from the raffle for CHOC. and our tummies were very happy.

We had a good turnout for our General Meeting and we have a new prospective CSC member, Bob Cooper. He plans on attending our next Board Meeting in July so we can officially vote on his application.

Hope all who are going OTRA with the Sawkos have a safe trip. They are traveling to Northern Nevada. Know you will have a great time!

I will be sending out an updated CSC Roster soon. If you find any needed corrections or additions please let me know. Thanks

Hope you all have a fun, safe summer and a very Happy 4th of July! See you soon.

Anita

NATIONAL CORVETTE MUSEUM

By Steve Tillman—NCM Ambassador

Steve.tillman425@gmail.com

National Corvette Museum Events:

The 28th Anniversary Celebration will be September 1-3. The large national caravans are being organized as we speak. See the website www.corvettemuseum.org for details.

Racing Events:

The 24 Hours of Le Mans 2022 was forgettable for Corvette. Both the IMSA and WEC cars were entered, and were doing well during the first half of the race. Then the #63 car went into the garage with a rear suspension failure, which was a major repair and set them back several laps. After getting back out they had a vibration issue with the rear diffuser, putting them back in for repairs. When they saw what was involved it was decided to retire the car. Later, at about the 6-hour remaining point, the #64 car was hit by one of the LMP2 cars that was trying to pass another LMP2 car. This took place on the Mulsanne Straight where speeds are around 200 mph. The hit knocked the Corvette nose first into the guardrail of the track and pretty much tore the car apart. At the time, the Corvette was battling one of the Ferrari's for the lead in class. This was the last year of the GTE Pro class.

Vettecademy:

Season III is underway. You'll find the various episodes on the museum website. They are both entertaining and educational. Check them out.

Corvette Raffles:

Remember, Corvette raffle tickets are still available for sale outside of Kentucky. There is a downloadable form on the NCM website that you can use to purchase raffle tickets via the US mail.

The museum website gives you all of the option details on each car up for raffle.

CORVETTE OF THE MONTH

This Months Corvette Winner is: Dennis Robertson

Ever since Tani and I joined CSC in 7/11/18, I have dutifully been submitting my name in the Corvette of the Month drawing can held by Sargent-at-Arms Lynn Wiederholt. Tani won Corvette of the Month two months after we joined the club. I was jealous. Finally, this month the odds caught up with me. I won Corvette of the Month.

My first Corvette was a 1985 silver C4. When I realized I needed more seats to transport children, I switched to Camaros for several years. Finally, in 2014 I bought my current "award winning" used 2007 silver C6 from a neighbor. When I saw it was silver like my first Corvette, I knew it was the car for me. It is a 6-speed stick with Corsa sport exhaust and West Coast Corvette wheels. It is a garden-variety Corvette, but always fun to drive. I will leave the driving of the monster Z06 that Tani has to her. She is the thrill seeker in the family.

Dr. Jerry is always on my case for driving a dirty car. I always tell him I like driving the car, not washing the car.

Cambria Write Up Continued

What to Pack

Aside from the usual packing items, you may want to consider bringing a camp chair to sit in in addition to anything you wish to drink.

About Nitt Witt Ridge

Nitt Witt Ridge, a California Registered Historical Landmark #939, is a house on a quarter acre in Cambria. Reclusive artist Arthur "Art" Harold Beal bought his hillside lot in 1928 and spent most of the next 50 years carving out the terraces with only a pick and shovel and creating his own "castle on a hill." Some parts of the dwelling are remnants from Hearst Castle, where he reportedly worked for a time. Other common building materials include beer cans, abalone shells, concrete, washer drums, car rims, tile, car parts, and old stoves. This blend of native materials and contemporary elements, impressive in its sheer mass and meticulous placement, is a revealing memorial to Art's unique cosmic humor and zest for life. The tour lasts approximately 40 minutes. **PLEASE NOTE:** Nitt Witt Ridge is **NOT ADA** compliant, offers no restroom, and is not built to code. Cost to attend this outing is \$10 per person. We will be leaving the Sea Otter at approximately 1:45pm for a 2:00pm tour.

Menu for Boni's Tacos

Boni's Tacos will be delivering food to us at the Sea Otter for dinner Friday night in lieu of going to Linn's...again. The offering will be tacos of al pastor, carne asada, and/or chicken, cheese enchiladas, rice, beans, and grilled veggies. Cost to eat dinner is \$30 per person. We will be eating poolside so be sure to bring something to sit on.

Pianetta Winery

Saturday's activity to the Pianetta Winery will include a tour of the winery (depending on the pressing schedule), wine tasting, and a buffet lunch of BBQ chicken and baby back ribs, potato salad, and baked beans. They do not have a soda bar or any non-alcohol beverages other than water currently so please plan accordingly. Cost for this activity is \$40 per person. We will be leaving the Sea Otter in at approximately 10:30am to meet a 11:15-11:30 arrival at the winery.

Saturday Evening Mixer

After the sunset party at the point, we will be gathering in the pool area for frivolity and fun. Please bring your own beverage(s) to drink and an appetizer to share with six (6) people. We would like to minimize the food waste so please be mindful of the size of your food offering.

T-Shirt Design Contest

We will be having a t-shirt design contest to celebrate 50 years of going up to Cambria. Please submit all entries to Melinda at blinded_by_science@hotmail.com by August 31, 2022.

If you have any questions, please feel free to email Melinda at blinded_by_science@hotmail.com

CSC VINTAGE LOGO UMBRELLA TO BE AUCTIONED OFF AT JULY, 2022, MEETING

This CSC Logo Beach Umbrella will be auctioned off at the July CSC general meeting. We already have a firm starting bid of \$100, and subsequent bids will be in \$10 increments. It was donated to CSC on June 27, by former 3-time CSC President (1966, 1969, 1974) Ron Vergilio to CSC through former 2-time CSC President (1988-89) Lee Lieberg, who will be handling its disposition. Bidding will be open to all current CSC members and the proceeds will go to the CSC General Fund. Here is your chance to own a piece of the CSC legacy!

The Umbrella in Traditional CSC Colors

Lee Lieberg accepting the donated umbrella from Ron Vergilio

This item was built and sold to club members in the early 1970s by former CSC President (1975) Ron Russell and will probably never be duplicated. As far as we know, this is the only one still in existence and it is in almost new condition. It is 6 feet in diameter, and can be used 2 ways: with the spiked pole in the dirt/sand, or with the included adjustable bracket that can be attached to the side or back of a chair.

Come to the July 28, 2022, CSC meeting to make your bid, or just **[Come Share Corvetting!](#)**

PHOTO GALLERY - (F.I.T.S.) By Bob & Claire Sawko FUN IN THE SUN (F.I.T.S.)

Hello folks. We had 27 attendees for F.I.T.S. On Thursday, we had a caravan of nine Corvettes that left Orange County and traveled to Palm Springs where we had a group lunch at Billy Reeds. On Friday, 13 of us did a twilight tram ride in Palm Springs. I believe this is the first time we did a club group tram ride and all had fun doing it. On Saturday, we had a caravan of nine Corvettes travel to the Patton Museum, followed by a canyon cruise and ending up at Chris Dawson's BBQ. She and her BBQ crew did a great job of cooking tri-tip, making salads and desserts. Everyone had a good time and some folks visited with former club members who now live out in that area. Allen and Johnita Tyson also came from Arizona and visited with club members. Bob & Claire

PHOTO GALLERY - Heros Hall Museum by Lee Lieberg

CSC TOUR OF HEROES HALL ON JUNE 25, 2022

On a sunny Saturday in June, 11 Corvette (and 1 steel car) met in front of Coco's Restaurant in Costa Mesa. We were getting together to caravan to the 5 year old Heroes Hall Museum and Education Center at the Orange County Fairgrounds. We arrived at the Hall just before they opened at 10 AM, which gave us time to have 2 great photo ops in front of the building – one posed with our Corvettes and the other on the front steps. 21 CSC members were there, and only 3 of us had ever been to this building before, making it a new experience for all the others.

Heroes Hall had its Grand Opening in February, 2017, after being physically and carefully moved from a different location on the property. During WW II, it was known as the Santa Ana Army Air Base (SAAAB) which was a training base for pilots, navigators, and bombardiers. The Hall was originally an Army housing barracks built for the cadets in 1942, although much more modern today. Some of us actually got to live in this type of building which was still in use in military bases for many years (the 60s for me)!

PHOTO GALLERY - Heros Hall Museum - Continued

After the photo ops, we went into the Hall and met our Docent/Historian/Tour Guide Brent (Brett?). He was VERY knowledgeable and informative. Everyone in our group was impressed with how much information about the base he kept in his head – no cheat notes at all! We toured the upstairs first, as that is their static display on the SAAAB. Downstairs is where they house their changing displays which are usually set for about 6 months each. Currently the subject is “Fighting for the Right to Fight” which covers the obstacles that Blacks, Hispanics, and Japanese had to overcome in order to join the military.

After the tour, 18 of us headed back to Cocos for a group lunch where we could socialize and recount all that we learned during the tour.

I have included a few of Dennis Robertson’s great photos. You can see the entire event photos on the CSC website.

My thanks to all who attended the event, and it seemed like all had a good time.

CSC ARTICLE - by Steve Tillman

HB Concours 2022

by Steve Tillman

June 5th was the date of this year's HB Concours at Huntington Beach Central Park. While most of our club was out in the desert at FITS, five CSC members entered their cars in the Sunday show. We had a clean sweep. All five were trophy winners.

In the C2 concours category, Gary Lane won first place with his 1966 coup.

In C6 street/race, Ron Guidry won first place, with yours truly getting second, which was a flip-flop from last year's event. Next year is a play-off.

In C7 street/race, Lance Noell won second place.

In the Kit Car/Reproduction category, Lynn Wiederholt won first place with his beautiful 427 Cobra.

It was a great day out there weatherwise. Fewer cars than usual, especially in the Corvette category. There were 2 C1's, 7 or 8 C2's, no C3's, no C4's, no C5's, 3 C6's, maybe 5 C7's and 1 C8. Maybe next year CSC can improve those numbers.

IMPORTANT INFORMATION

From Pat Patterson!!

To all my fellow club members: On 6/2/2022, I received a notification from On Star that it had detected a problem with the engine or transmission on my C8. We were on our way to **F.I.T.S.**, so I didn't pay much attention to the check engine light... It ran okay. On 06/07 it went in to the local dealer. After Three Hours, the dealer called me to inform me it had been fixed.. It seems some of the wiring had been chewed by rat-rats. They fixed it but said if it happens again they would have to pull the engine to get to the wiring harness. He commented that this was fairly common on later model cars, not just GM cars. He left the droppings so I could see where they were, and then cleaned them out. The Porsche dealer told me the same thing. They have the same problem even on the display floor. It seems the insulation on the wires are vegetable based and cause them to be attractive to varmints. I have traps in the garage now. I did find droppings in one corner of the garage where it had made its home. It also seemed to like my bag of snail pellets. The bag had been chewed on. I checked under the hood of the ZR, and found a couple of rat droppings. No damage that I could find. Everything worked okay. It seems like since the feral cat population has gone and the rat problem has increased. I caught one around my grape arbor a couple of days ago. **Keep your eyes open.**

Pat

Post Story - The problem re-appeared and I had to go back to the Dealer for a harness replacement, which meant pulling the Engine, which was costly at \$5,000+ WOW.....!!!!!!

IN THE NEWS

2024 C8 Rumored to get Interior Changes

Photo Credit: Keith Cornett

The C8 has been well received with just only a few interior design complaints. It is rumored that in its 4th year of production, Chevy will try to fix some of these.

One of the most common complaints is the location of the charging slot on the waterfall between the seats. Not only is it hard to put your phone in it when sitting in the car, but the old rule of "out of sight, out of mind" is forcing people to come back to the car and retrieve their forgotten phone. Chevrolet has pushed out an over-the-air software update for these people that sends out a notification to remind people not to leave their phones behind.

Then there is the controversial Great Wall of Buttons on the console. This is one of those love/hate design issues, but GM Authority is nevertheless citing sources that claim relief is on the way for these naysayers, with a redesigned interior possibly debuting with the '24 Stingray.
