### PRESIDENTS MESSAGE by Jerry Majer

#### New Year's Resolution:

**Laugh a little louder, smile a little bigger, love a little deeper, and walk through life a little slower**

As we begin this New Year our *first* event is our premier event, **The Annual Awards Banquet** held at **The Grand** (Event Center) in Long Beach on Saturday, January 14<sup>th</sup> 2023. This is our chance to “dress-up”, dust off our manners, and celebrate the faux pas of the past year. The food is good, the laughs plenty and the company grand! The last day to RSVP for this fun night is January 6<sup>th</sup>. You don't want to miss this event!

The year **2022** was a good year for our Corvette Club. We added several new members, participated in many events, dinners, and cruises, and we celebrated an anniversary of 50 years traveling to Cambria as a club. Wow was it ever great to get back to normal! Our 2023 calendar is already shaping up to be another active year for our club.

The **Gamblers Classic Poker Run** in Laughlin, Nevada, will be in early March. The Bakersfield Club really looks forward to and appreciates our club's participation in this event. We regularly have one of the largest club participations in this event. This newsletter has a flyer with the information on this event. I will be leading the caravan to this event and the members of the Bakersfield Club promise that this year's poker run will run much smoother than last years.

Our general club meetings have had great attendance and a lot of fun lately. Our Sargent- at -Arms, Lynn Weiderholt, has been having way too much fun but keeps us laughing and smiling.

I want to extend a big thank you to your CSC Board Members for their continued contribution to our club each month. Because of them (and members also) we have a wonderful, friendly, active club which is probably why we have attracted so many new members to join our club.

Let's look to have a prosperous new year in 2023.

**Until next time, keep it safe.**

**Jerry**

### VICE PRESIDENT REPORT by Dick Bottis

Happy New Year. CSC had a great 2022. There were lots of great events throughout the year and in November we celebrated 50 years of Cambria weekend escapes. The American Legion car show was a great success as we raised \$5,500 for the post. As a club we do a lot of fun things and I'm looking forward to even more great events in 2023.

Last month we had two events. December 10, Rick Morrow led a caravan to the Porsche Club of America Toys for Tots event. Then later in the day we had the last event of the year. The CSC Annual Ugly Christmas Sweater Party hosted by my wife Linda and I. We had 36 members plus my daughter and two grandsons (who helped us to stay on track). There was lots of food and the usual fun and games. The ugly sweater winners were Jack Matukas and Donna Tillman. We also played three games; the candy cane game was back upon request and is always fun, this year's winner was Tani Robertson. We also brought back the nut stacking game and this year Jerry Majer won it in a record time of 36 seconds. The final game was the annual trivia game. This year's game was on Christmas trivia and was tough as the best two teams got 11 of the 30 questions right. In a tie breaking question off, the team of Jerry and Linda Majer won. After the games and dessert, we had the gift exchange. Lots of laughs and interesting gifts.

January 14, 2023 Jerry and Linda Majer will host our annual Awards Banquet at the Grand in Long Beach. This is our premier event where we dress up in our Sunday best. Join us for a night full of laughter as many of us will be embarrassed by our awards chairman, Bill Norris.

I am working on the 2023 event calendar, and we already have a few events scheduled. February 25<sup>th</sup> the SoFi stadium tour hosted by Rodney Lineweber. The cost is \$44 per person. If you plan on attending, please send him a check no later than February 1<sup>st</sup>. (Rodney Lineweber, 8562 Cypress Ave, Cypress CA 90630). March 2<sup>nd</sup> – 4<sup>th</sup> Jerry Majer will be leading a caravan to Laughlin, Nevada for the Bakersfield Gamblers Classic. Also, Bob Pecoraro is working on scheduling a San Antonio winery tour, the tentative date is March 12<sup>th</sup>. April 1<sup>st</sup> we have the CHOC follies, and April 14<sup>th</sup> – 15<sup>th</sup> we have the Long Beach Grand Prix IMSA race.

2023's On the Road Event (OTRA) to the National Corvette Museum (NCM) for the 2023 NCM BASH, April 27<sup>th</sup> – 29<sup>th</sup> is on track. We will be leaving Friday, April 21<sup>st</sup> and returning Monday, May 8<sup>th</sup>.

If you are interested in joining us, please let me know so I can include you in the next meeting scheduled for

See the CSC Event Calendar for additional information.

**Till next month:**

Thanks for paying your annual CSC Dues. Because of that, our Budget is in a great cash position.

We are generally on budget for our expenses. Through December, we've collected a little over \$1400 at our monthly meetings for CHOC. One month to go. If you can't attend the monthly meetings, please consider contributing to CHOC using the red "Donate" text shown in our CSC Newsletter.

The current CSC financial report is posted at every monthly meeting. All members are welcome to review and ask me questions about it.

#### Road Trip Duties:

##### Driver:

- Drive

### HISTORIAN REPORT by Dennis Robertson

The pictures of the Toys for Tots event and Ugly Sweater Christmas party have been posted on the CSC website and have been included in the 2022 CSC yearbook.

The two-part 2022 CSC yearbook has been ordered and received from Shutterfly. The yearbooks will be at the Annual Awards Banquet and subsequent General Meeting for everyone to see.

The Toys for Tots event was interesting. The Marine reserves had two Humvees on display and a table displaying pistols and rifles. People were allowed to handle the arms on display. Be sure to see the picture of me holding some sort of weapon. The picture was taken by Herb since I do not get to be in many club pictures. I was impressed by the number of boxes that were filled with toys by all who came. After the event Pat, Herb, Anita, Dennis, and Tani walked over to Kathy Mays Restaurant for lunch.

The Ugly Sweater Christmas party was fun. I like the picture of the three women with similar sweaters that say, "Oh snap!" with a picture of a poor gingerbread man missing extremities. Tani won a very large candy cane which will take more than one day to consume!

### NATIONAL CORVETTE MUSEUM

By Steve Tillman—NCM Ambassador

[Steve.tillman425@gmail.com](mailto:Steve.tillman425@gmail.com)

#### Merry Christmas and Happy New Year

#### National Corvette Museum Events:

The Museum is in winter mode, i.e., nothing happening.

Some members of our club will be visiting the Museum for the first event of 2023, the Michelin Bash, in late April next year. Dick Bottis is planning and will be leading the trip. Plant tours are coming back. Tours will go on sale Oct. 25 for NCM members and Nov. 1 for the public. For now, tours can only be booked through January 2023. We will stay on top of this for OTRA to the Bash for those who would like to take the tour.

#### NCM Membership:

Thanks to all CSC members who got back to me on their NCM membership. For a club as far away from the Museum as we are, we have a pretty good membership group.

#### Vettecademy:

Season III is underway. You'll find the various episodes on the museum website. They are both entertaining and educational. Check them out.

#### Corvette Raffles:

Remember, Corvette raffle tickets are still available for sale outside of Kentucky. There is a downloadable form on the NCM website that you can use to purchase raffle tickets via the US mail.

The museum website gives you all of the option details on each car up for raffle.

## Corvette C8 and Z06 Production Notes for December 2022

Photo Credit: Larry Smith

Christmas is right around the corner, Chevrolet only has two more weeks of Corvette production scheduled for 2022. Our friends at [Corvette Blogger](#) ran the numbers and updated where Corvette Production currently stands.

It looks like Chevrolet produced close to, or will have surpassed, 21,150 C8's. 19,500 of these are base C8's. Approximately 1,650 are 70th Anniversary Stingrays.

Speaking of Stingray's 70th Anniversary package, Corvette Blogger reports that customers are buying the White Pearl Tri-Coat versions over the Carbon Flash Metallic by nearly 4 to 1.

As for the 2023 Z06, the plant is continuing its ramp-up process and producing around 18-20 per day for a total of 300 Z06s. Of these 300, 36 include the 70th Anniversary package.

Another interesting point is that last week was a blackout week for Plant Tours. So, there could have been something special that the plant was working on or taking a closer look at. Of course, the E-Ray Visualizer Leak brings even more attention to what is being worked on inside the plant.

The plant will be closed the week of 12/26 for its annual Christmas break.

Read more about the production numbers at [Corvette Bloggers site Here](#)
