### PRESIDENTS MESSAGE by Jerry Majer

Wow! What a great time those of us who attended the “*Gambler’s Classic Poker Run*”, put on by Corvettes of Bakersfield in Laughlin, Nevada, had! We had 8 Corvettes there from our club. It was especially nice to see Mary Wharton and Toni Frack there as well. Corvettes of Southern California came home with a couple of car awards as well. Tani was the recipient of 3<sup>rd</sup> place in the early C7 category, and I (your humble president) took 1<sup>st</sup> place in the C6 Corvettes. The poker run on Saturday was much more organized than last year. The weather was great for the event, and we sure saw some beautiful snow-covered mountains on the trip out. I did hit some rain coming home though, through the Cajon Pass. Oh well, the car didn’t melt but it sure did get dirty. We look forward to returning next

year for this event. Oh, by the way, the Corvette club from Palm Springs had the largest registered participants for this year event and were awarded monies to go to their charity. Sure would like to see Corvettes of Southern California get this honor next year!

We had our first car show meeting at Dick Bottis’s home recently and raffle prizes were discussed. We have had some great raffle prizes in the past shows, but we have just a few members obtaining the prizes and we could use a little more help in this area. If you would like to donate a raffle prize, a basket, a gift card or secure one from a retailer, it would be appreciated.

I have a plan to put together a 12 Month Calendar consisting of our Corvettes with owners’ pictures in it. Dennis Robertson (the guy with the camera) and I will be putting on a summer picnic where we can take pictures of members’ Corvettes and a group picture for the calendar. We will take paid orders for the calendars so that this project will not have an impact on our CSC budget. We have not yet selected a park for the picnic, but Saturday, July 15<sup>th</sup>, has been chosen for the date. More information to come as we get closer. Please know that if you are interested in the calendar but can’t make the picnic we can make other arrangements to have your pictures taken. Please do not feel obligated to participate or purchase. Something I think would be fun and a great way to “recognize” members and their cars.

We had the San Antonio Wine tasting and lunch this past Saturday arranged by our member Bob Pecoraro. Bob had arranged for a very nice discount on the wine tasting and we were treated to a nice area for tasting. What a great turnout we had and our VP Dick Bottis did a fine job leading the 14 Corvettes thru the nasty LA traffic. My wife says it was “*Mr. Toad’s Wild Ride*”. Thank you Bob!

In this newsletter, and the for the next several months, we are going to list the **board of directors’** and **chairpersons’** duties as spelled out in our Red Book(s)- one position at a time. You will see what the responsibilities are and hopefully will consider being on the board in the future.

**Until next time, keep it safe. Jerry**

### VICE PRESIDENT REPORT by Dick Bottis

Spring is here but it is taking a long time to come. When you read this, Linda and I will be in Idaho visiting family. The week before we left, we discovered a roof leak. It just so happens to be under our solar panels. This weather has been something else. I just hope it calms down a little as we won't be getting the roof fixed until we return from Idaho.

We had two events in March. March 2<sup>nd</sup> – 4<sup>th</sup> Jerry Majer led a caravan to Laughlin Nevada for the Bakersfield Gambler's Classic. March 25<sup>th</sup>, Bob Pecoraro and I led a caravan to San Antonio winery for a tour, wine tasting and lunch.

#### April events:

April 1<sup>st</sup>, CHOC follies hosted by Marie Chance (please contact her if you are interested in attending).

April 14<sup>th</sup> – 15<sup>th</sup> Long Beach Grand Prix IMSA race led by Steve Tillman.

April 21<sup>st</sup> I will be leading a caravan to the National Corvette Museum Michelin BASH (April 27<sup>th</sup>-29<sup>th</sup>), returning Monday, May 8<sup>th</sup>.

The SoFi stadium tour hosted by Rodney Lineweber is scheduled for Sunday May 21<sup>st</sup> at 2:45 pm. The cost is still \$44 per person. If you plan on attending, please make sure you get your money to Rodney no later than May 1<sup>st</sup>.

Donna Tillman is working on our biannual CSC Night at the Races, Saturday evening, June 17<sup>th</sup>. She needs a minimum of 40 people to secure the venue. Linda and I have attended this event several times and it is a great event. Watch the newsletter for additional information.

Herb Farrington is putting together another CSC at the LA Angles game. He is looking at getting us a suite again this year. If you are interested, please let him know. Date TBD.

The American Legion car show is just seven months away. We had our kick-off meeting Sunday, March 12<sup>th</sup> at my home. If you would like to sign up for one of the committees, please contact the committee chair. Also, we are looking for donations for the regular raffle and the Chinese raffle. If you would like to donate, please contact Herb Farrington or Steve Tillman.

### TREASURER'S REPORT by Herb Farrington

#### CSC Finances

Our CSC finances are still in good shape. The CSC Board recently approved the Budget for 2023-24. We have a small deficit in that budget, but we are hopeful that actual income and spending will cover that (like last year). I have the current CSC financial statement available in each General Meeting for members to review.

#### Suite at Angels Stadium

Last year we had a great time living it up in the luxury suite at Angels' stadium. Since I've had several members tell me "let's do it again", I will bring a signup sheet to our General Meetings to see how much interest there is. If enough, I will again organize a "suite" evening at an Angels Game.

#### National Corvette Museum (NCM) Banner

In 2022, we were unable to order a NCM Banner for our club due to lack of advance funding. By the time funding was approved, NCM had already sold out the available banner spots. To avoid this in 2023, several CSC members volunteered to contribute in advance for a 2023 banner. Because of those contributions, we were able to reserve a spot for 2023. We look forward to seeing our banner flying when we visit NCM this year.

We are again raising money, for next year's banner. We hope that you will contribute. You can contribute at our monthly General Meeting. For those of you not attending those meetings, please consider sending a check, large or small, payable to CSC, with the notation "NCM Banner." Checks should be sent to:

Herb Farrington, Treasurer  
13936 Grambling Circle  
Westminster, CA 92683

#### Huntington Beach Concours d'Elegance

Each year, a group of CSC members enter the HB Concours and we're doing that again. It's held at Huntington Central Park. In past years, we've taken home a batch of trophies. Corvette is the featured marque this year. It's on Sunday, June 4. A sign-up sheet will be at our General Meetings. I hope you join us.

### MEMBERSHIP REPORT by Anita Farrington

Happy Spring! Most of us are probably wondering if Spring will really ever be here. After all the rain we've been getting, our yards and flowers should be spectacular! Unfortunately the weeds will also be abundant.

We had a really great General Meeting Thursday night. We have a new CSC Member, J.J. Jauregui. Please introduce yourself and welcome him when you see him at the next General Meeting.

We have received our new CSC Tri-fold brochures. You will notice that we have increased the Membership application fees a bit. If you have any old Tri-folds please throw them away and see me for some new ones. Thanks Jerry for placing the order.

The Corvette Corral at the Long Beach Grand Prix is on the weekend of April 14-15. At the end of April several Corvettes will be OTRA for Kentucky to attend the National Corvette Museum Bash. I know you all will have a fun trip with Dick Bottis leading the way. Be safe, will look forward to hearing all about your adventures!

Wishing each of you a very Happy Easter with your family and friends. See you soon! Take care.

Anita

### HISTORIAN REPORT by Dennis Robertson

The pictures of the Gambler's Classic cruise are posted on the CSC website and have been added to the 2023 CSC Yearbook.

The Gambler's Classic pictures on the CSC website are at:

[Gamblers Classic | 2023 Albums | Corvettes of Southern California Photo Gallery | Corvettes of Southern California \(corvettesofsocal.com\)](#)

The Gambler's Classic cruise led by Dr. Jerry was fun. We had some "spirited" driving on Amboy Road outside of 29 Palms. Jerry won the race with Tani coming in second. We checked into the Riverside hotel and had appetizers for dinner. The next day, Friday, we went on the Fun Run to Kingman. The Route 66 Museum and the Mojave Museum in Kingman were interesting. The next day, Saturday, was the car show. It had nice cars and Dr. Jerry won first place in his category and Tani Robertson won third place in her category. After the car show was the poker run. This year the poker run was run smoothly. After the poker run was the Awards Ceremony and raffle. The next day, Sunday, we checked out of the hotel. Tani and I went to Las Vegas. We went to the Count Kustoms museum to see the cars that we see on his TV program. In the evening, we went to see Ka Cirque Solei at the MGM Grand. Finally, on Monday Tani and I drove home from Las Vegas. Again, it was "spirited" driving on the way home with Tani at the wheel. Weaving in and out of lines of cars is a game of Tetris for Tani, for me it was more like "Froggy" where I was hoping we would not be smashed by cars. I get in, hold on, shut up, and close my eyes and it works! I got home safely!

### NATIONAL CORVETTE MUSEUM

By Steve Tillman—NCM Ambassador

[Steve.tillman425@gmail.com](mailto:Steve.tillman425@gmail.com)

#### National Corvette Museum Events:

Dick Bottis has been planning and will be leading OTRA (On The Road Again) to the Michelin Bash at the Museum in late April. Plant tours are back and those who are going to the Bash can book a tour on the NCM website if desired. Must be done individually. The Museum is looking for volunteers to help at the Bash. I would urge you to volunteer some of your free time at the event. Email [Mia@corvettemuseum.org](mailto:Mia@corvettemuseum.org) and give her a day and time you are available.

#### Corvette Racing:

In March, Corvette teams participated in two races, both held at Sebring Raceway in Florida. The first was Friday, Mar. 17. The #33 C8.R, driven by Nicky Catsburg, Ben Keating and Nico Varrone finished first in class in the 1,000 mile WEC race. The car competes in the GTE AM class, and had a flawless race. The Corvette finished two laps ahead of the next best in their class. It was the second win for the new C8.R since joining the World Endurance Championship last season.

Saturday, Mar. 18, was the IMSA 12-Hours of Sebring. The #3 C8.R, driven by Antonio Garcia, Jordan Taylor and Tommy Milner, lead their class for most of the first 8 hours of the race. At about that point the car suffered a broken left rear shock absorber, which took a couple of laps to replace, dropping them to the back of the GTD Pro class. Then, with about 20 minutes to go, a couple of GTP drivers, vying for the lead, got overly aggressive (meaning stupid) and caused a huge pile-up that forced the Corvette off the track to avoid them. Antonio Garcia did a good job bringing the Corvette to the finish in 5<sup>th</sup> place. Next stop is Long Beach.

#### Vettecademy:

Season III is underway. You'll find the various episodes on the museum website. They are both entertaining and educational. Check them out.

#### Corvette Raffles:

Remember, Corvette raffle tickets are still available for sale outside of Kentucky. There is a downloadable form on the NCM website that you can use to purchase raffle tickets via the US mail.

The museum website gives you all of the option details on each car up for raffle.

### WEBMASTER REPORT by Melinda Clare

#### Webmaster's Musings

April 2023

Whelp...we are finally moving to [corvettesofsocal.org](http://corvettesofsocal.org). The .com address will remain active for one year and then will go away. All literature should now reflect the new address. The files have all been copied over but it will take a few days for everything to get settled in. I will be monitoring this as closely as I can. Once the .org website is completely up and functioning normally, Dick or I will begin the laborious process of uploading our photos as this is handled by a third-party software which will need to be installed first

## **AN EVENING AT THE RACES**

at Los Alamitos Race Course - July 17, 2023

**When:** Saturday evening, July 17 – about 5:30 pm (exact time TBD)

**Where:** Los Alamitos Race Course – Vessels Club  
4961 Katella Ave., Los Alamitos, 2 miles east of the 605

**Cost:** **\$65.95 pp (must have a minimum of 40 people)**

This will be the 6<sup>th</sup> time CSC members have enjoyed an *Evening at the Races* at the Vessels Club at Los Alamitos—the last time being the summer of 2019. We’ve always had a good time, with good food and excellent seating on the patio overlooking the finish line.

**The evening will include:**

- Admittance to the race course and Vessels Club
- Dinner at the Vessels Club
- A “Corvettes of Southern California” featured race
- Photo opportunity for (at least) six of us, taken in the Winner’s Circle after the CSC featured race.
- Preferred parking for Corvettes of Southern California
- And of course, the chance to win lots of \$\$

Los Alamitos Race Course has live racing at the course on Saturdays and Sundays, and this package through their Vessels Club is only available on those days. Because of that, in order to get the date we want, it needs to be reserved **ASAP**.

We had 24 people sign up at the March meeting, so we need at least 16 more to feel confident in sending a 50% deposit to hold the June 17 date. Please feel free to invite friends or family members to join us for this event.

If you haven’t already signed up, and would like to attend, please contact me as soon as possible so I can reserve our date with Los Alamitos.

## 2023 Historic Prescott Corvette Car Show

Volume 1, Issue 1 February 23, 2023

[prescottvettesette.com](http://prescottvettesette.com)

You are invited to participate in the **17th All Corvette Car Show** hosted by **Prescott Vette Sette** on Saturday September 23. As before, the car show will be held around the picturesque Courthouse Plaza in downtown Prescott. This year, we will significantly increase registration by filling Goodwin Street with Corvettes. We expect to have 300+ cars on display as we did last year. So make your vacation plans and reserve rooms now.

### Registration for the Car Show opens April 1st 2023

Activities that are planned in addition to Saturday's Corvette Car show: **Early check-in** Thursday evening and Friday will again be at the Hassayampa Inn - our Host Hotel of the car show. Then enjoy their 'Stingray' drink in the bar - or better yet on the patio!

The very popular **Poker Run** will be held **Friday morning**. This year we expect to register perhaps 100+ drivers and of course that means a larger prize for the Winner and the Loser. Expect a new and exciting drive that will show off the Prescott area in a different way.

We are trying to arrange a **Friday afternoon hand-car-wash** volunteered by students of Embry Riddle Aeronautical University. They have been car show volunteers (behind the scenes) for years. Donations will reward them for their support of our car show, so be generous.

We are very excited to tell you about our plans for **Friday and Saturday evening**. How about on **Friday Evening**, a "good 'ol Fashioned Street Dance" and sponsored by The USVets Prescott. The Whiskey Pistols, a terrific local band will provide the music. We plan to have a Beer/Wine Bar plus some heavy snacks. The corner of Montezuma and Goodwin St. will be our Dance Floor from 5:00 pm to maybe 9:00 pm. **Saturday Evening** please join us for the 1st Annual **Awards Party** and a great Bar-B-Q Dinner with the Whiskey Pistols again, providing the entertainment. This memorable event will cost only \$25/person and we are sure it will sell out. Our hosts for the fabulous food and great venue, will be the Manzanita Grill and Bar inside the main Clubhouse of Antelope Hills Golf Course (next to the Airport on the way to Williams and I-40). The Awards, prizes and gifts will be given to you, our guests, as we try to Thank You for your participation.

**Be sure to tell all of your fellow Corvette friends that did not come !**

## [E-Ray Versus Ferrari F8 & Lamborghini Huracan Evo](#)

The new E-Ray is still not available to order, but reviewers are getting review cars to “test out”.

Using Jason Cammisa’s signature time-freeze video technique to show the outcome of a ¼ mile race, and explain how it happened, by walking back through slow-mo time at the finish line, is exactly what GM was hoping reviewers would show, the \$104,295 (starting price coupe) E-Ray versus other high-performance sports cars. In this case, the E-Ray is pitted against a Ferrari F8 (\$283,950 starting price) and Lamborghini Huracan Evo RWD (\$248,295 starting price).

I don’t want to give away the winner, but let’s say the “competition” has some explaining to do to their potential customers.

### IN THE NEWS—Page 2

## Chevrolet Has Zero Allocations for Z06 Nationwide

Photo Credit: Keith Cornett

Today was supposed to be the start of another Z06 order cycle, and we know that dealers were anticipating something following the recent memo about the final customer orders for the Z06 need to be [submitted by April 5th](#). But unfortunately, it's the same bad news as last month...zero allocations nationwide.

We don't know what's going on with the car, and our friends at various dealers don't know what is going on either. But we do know these two things, first is that Chevrolet announced a hard deadline for customer sold orders to be in by April 5th, and there is just one more Thursday (March 30th) that appears on the calendar before that deadline.

So, Keith...are you saying there is still a chance?

Yes, we suppose there could be allocations that drop next Thursday, and dealers would have until that following Tuesday, April 4th at 11:59 PM to finalize those customer sold orders. I guess anything is possible at this point. But the reality is that we are one week away from knowing whether or not there will any more customer Z06 orders submitted for the 2023 model year.

It must be extraordinarily difficult to be a Corvette seller in this environment, with customers beating down your door to hand over money for a car that can't be ordered. Just keep that in mind when you're calling your dealer that they are in the dark like the rest of us.

GM has left the door open to further allocations by telling dealers that they retain the ability to submit Dealer Stock Orders after the April 5th deadline, and we know many dealers that would love to get their hands on a Dealer Stock Order because then it can be sold in a manner that benefits them the most.

**Dear CSC Newsletter Supporter:** We want to thank you for your continued support this past year of the CSC monthly Newsletter. Without your help we would not have been able to publish all of our news and activities on a timely basis to our members and fellow Corvette clubs. If anyone else wishes to support the newsletter with advertising or knows of business that would like to advertise then please contact the newsletter editor at [lstacy3@me.com](mailto:lstacy3@me.com). The cost is a modest \$36 for a business card, \$50 1/2 page ad, \$100 for full page ad in the 12 issues published throughout the year and the initial year will be prorated as necessary. We can also tailor your advertising needs.

Please continue to support CSC and forward your check made payable to CSC Corvettes of Southern California P.O. Box 1512 Huntington, CA 92647 Attn: Newsletter. Thanks again for your help and we look forward to your support again in 2022. Corvettes of Southern California.
