PRESIDENTS MESSAGE by Jerry Majer

Welcome to August everyone! I hope you have been and are still enjoying your summer and getting seat/ride time in your Corvette(s). July was a busy month with our **Annual Picnic** held this year at Bolsa Chica Park. We had 23 Corvettes drive up and our Club Historian, Dennis, was taking pictures of members Corvettes for our 2024 calendar. It was nice to look back at the pictures of the picnic and see everyone conversing, playing games, and just having a good ol' time. Weather was perfect! I was happy to see many members enjoying the two games we brought - **Corn**

Hole, (thank you Dick), and **Ladder Golf**. These are easy (in my opinion) and fun games to play at a picnic. A big **thank you** to Rose Stacy, Chris Dawson, Tani Robertson and my wife for making the desserts. They were scrumptious! With the raffle sales and auction of the quilt (thank you Linda!) we raised \$195.00 for our club. Thank you all for participating. If you were unable to be at the picnic and would like to have your picture taken with your Corvette to go into our 2024 Calendar, please contact Dennis and he will arrange to get a picture of your car. Hurry though, as we want to start (sometime this month) on production of the calendar.

August looks to be a busy month for our club. We start off with members attending a **California Angels** (MLB) game, next the "miniature golf challenge", followed by the **Corvette Super Sports car show**, and then "**trophy cleaning**" at Coast Corvette of all our clubs' trophies. We welcome new members to come and see some of the great things this club has done over the years. We will end the month with the general meeting at the American Legion.

At the July general meeting we had further discussions on a 3rd charity to donate to. The club is already donating to the National Corvette Museum and the American Legion Post 555. The proceeds from our *car show* go directly to the American Legion after expenses. It was brought up we do not need to have a 3rd charity. This club is a "social club" for its members and not a club for raising funds for charities (like Lions or Rotary Clubs do). We have decided by vote of the attending membership to not pursue a 3rd charity. The funds collected so far this year **for a 3rd charity will be** donated to the Alzheimer's Orange County Chapter organization. This was passed by unanimous vote.

Until next time, keep it safe.

Jerry

TREASURER'S REPORT by Herb Farrington

CSC Finances

The CSC Board audited our books at the April General Meeting and verified the bank and petty cash balances. I have the current CSC Balance Sheet and Budget available at each General Meeting for members to review.

Petersen Museum – Corvette Cruise-In: July 30

We had a 6 car caravan to the Museum plus 3 more members met us there. We had a great time in celebration of Corvette's 70th anniversary. We saw the new Z-06. There were dozens of Corvettes attending; all 8 generations were represented. The event included breakfast, lunch, and museum admission.

Suite at Angels Stadium: August 3

We have reserved a luxury Suite for Thursday, August 3 versus the Mariners. The Suite is a little closer to home plate and a little smaller than last year, so seats are going fast. If you are interested, please contact me ASAP.

Recent Events & Fund Raising – a Big Thanks

The John Kimes Memorial Cruise to Woody's on June 28 included a raffle held by Vicki Kimes, et al. She donated the proceeds to the CSC-NCM Banner fund. The CSC Picnic led by Linda & Jerry Majer on July 15 also included a raffle. They donated the proceeds to the CSC-General fund. Those thoughtful actions help ensure that our club's funds remain healthy so we can hold our many events like our Annual Awards Banquet. Thank you: Vicki, Linda & Jerry.

CSC Car Show for the American Legion: October 14

We are again holding our annual car show that raises funds for our veterans. We have raised over \$5000 for each of the last 2 years. We hope to continue this success, but we need your help. Attached is a form letter that is designed for your use in contacting businesses that you trade with. They can be a café, a store, a real estate firm, an attorney, a doctor's office, or any other service company. If each of us can recruit just one sponsor, our fund raising will be a great success. Please give it a try, especially with businesses you deal with personally. Just type in your name and contact information where the blue text is on the form letter. The letter can then be emailed, regular mailed, or hand delivered to your favorite business.

Dear New Donor,

We are having a car show on Saturday, October 14 for the benefit of our Veterans. The show will be held at American Legion Post 555 on Beach Boulevard in Westminster/Midway City. We are asking local businesses to help support this fund raiser and we are hoping you will help us out. A flyer for the car show is attached. Here are the suggested levels of support:

Level 1:

Items for our "goodie bags" (promotional items like pens, magnets, Post-It notes, polishing cloth, etc.). Such items can include your name/logo/phone number/etc.

Level 2:

A gift card, gift certificate, or merchandise that can be used as a prize in the car show's raffle. Donors will be acknowledged at the raffle.

Level 3:

A check donation:

\$100: This would make your business a Bronze sponsor. We would add your name/logo to our banner displayed at the car show. We would also post your business card in our monthly Newsletter for one year. We will also acknowledge your support on our Facebook page, on our website, and on the local Nextdoor website.

\$200: This would make your business a Silver sponsor. In addition to the above benefits, we would give you a ¼ page ad in our monthly Newsletter for one year.

\$300: This would make your business a Gold sponsor. In addition to the above benefits, we would give you a ½ page ad in our monthly Newsletter for one year.

\$500: This would make your business a Platinum sponsor. In addition to the above benefits, we would give you a full page ad in our monthly Newsletter for one year. In addition, you may post your own advertising banner at the car show.

Corvettes of Southern California is the second oldest Corvette club in the world, established in 1956. We have over 100 members. 100% of the net proceeds from our car show will go to American Legion Post 555. The American legion is a 501(c) (19) veteran's charity.

Thanks for your consideration. If you have any questions, please contact me.

NATIONAL CORVETTE MUSEUM

By Steve Tillman—NCM Ambassador

Steve.tillman425@gmail.com

National Corvette Museum Events:

Upcoming Museum event is the 29th Anniversary Celebration. It's held the Wednesday through Saturday of Labor Day Weekend. Next year will be a big one, the 30th Year Anniversary. The big national caravans, etc., will be in full force.

Corvette Racing:

The Corvette team finally got a win this year. They finished first in class at the Canadian Tire Motorsport Park, holding off Porsche and Mercedes at the race held July 9th. Later in the month, they were no so lucky at Line Rock Park, where they had a fourth place finish in class. Eight races into the 2023 season, the driver team of Antonio Garcia and Jordan Taylor stand in third place, with four races to go.

Vettecademy:

Season III is underway. You'll find the various episodes on the museum website. They are both entertaining and educational. Check them out.

Corvette Raffles:

WEBMASTER REPORT by Melinda Clare

Webmaster Musings...

Nothing really to report. Melinda still has hopes of getting together with Dick Bottis before going back to work, to work on the .org site (loading up pictures and what not). However, as many of you know, Melinda had some complications after her total knee replacement and her recovery has been difficult and slow. In addition, her step-dad finally passed away (no condolences, please) and she's been dealing with that. Fortunately Deborah was here to help her sister with the recovery but she has now gone home, five weeks later...when she planned on staying only two weeks. **MANY THANKS** to those of you who sent Melinda notes of encouragement and get well cards.

CORVETTE OF THE MONTH

CSC July 2023, Car of the Month – Owned by Dave and Cyndi Manley

I am a first-time corvette owner with this black 2019 Corvette Grand Sport Convertible. It was factory ordered in February 2019 by Mike Furman at Criswell Chevrolet in Maryland and courtesy delivered to Delillo Chevrolet in April 2019. It is a 2LT trim package with an automatic transmission, red & black two-tone interior and a PDR video recorder. The Boss insisted that the convertible be black, so now I have a full-time job keeping it clean in retirement. The enjoyment I get from behind the wheel has not waned in over four years of ownership and 19000 miles.

Well...Cambria 2023 is now open for registration. Currently we have 10 rooms spoken for (please see attached map. My scanner was having issues, so it's a photo. Sorry about that.) On September 1, rooms will be opened up to friends and family. Also please note that the room numbering has changed—particularly on the office side of the property. There was a room added which is a KQQO room. It has a King and 2 Queen beds with an ocean view. The new property manager failed to quote the price of that room. If you are interested in it, please let Melinda know. Also, the committee will hopefully be meeting very soon to determine activities. In the meantime, if you have any questions, please email or call Melinda.

If you are interested in participating in the SHIFT SECTOR, AIR STRIP ATTACK, then direct yourself to the www.airstripattack.com web site for information. Below are the days of the event. I will be going out Thursday, 12/28/23 afternoon and participating on Friday 12/29/23. I am staying at The Hampton Inn and Suites in Indio, which is 50 miles from the event and drive over in the morning.

The entry fee is \$350 plus \$20 entrance fee for the racetrack. You will get 2 free general admission tickets with your registration. You have the option to run in the trophy series or open racing. This you will decide when you register. I'm doing trophy series but can still run as many times as time permits. Read the rules and regulations, print out the liability waivers and vehicle inspection forms. Questions? Contact Jerry, dr.glmajer@sbcglobal.net, (714) 473-1137

IN THE NEWS—Page 1

National Corvette Museum New Display

Corvette celebrates 70 years with a new museum display.

The Corvette and many of its devoted fans partied Thursday night like it was 1953, the year GM introduced the iconic sports car.

Nearly 300 people crowded into the Skydome of the National Corvette Museum, which used the birthday bash to kick off its new "An American Love Affair" exhibit that celebrates the car's seven decades.

Held the evening before the 70th anniversary of the day the first Corvette rolled off the assembly line in Flint, Mich., the celebration showcased a collection of some five dozen vintage Corvettes that trace the evolution of the sports car from that 1953 model to the brand-new hybrid E-Ray that goes into production later this year.

The theme is accentuated in the eight-minute video displayed on the new \$800,000 "Skywall" wrap-around video screen in the museum's Skydome.

"When we started talking about what we could do to celebrate the 70th anniversary of this amazing car, we wanted to not just tell the history but pull something together that would resonate with everyone," said Sharon Brawner, the museum's president and CEO. "We realized that this car has permeated popular culture in movies, TV shows, songs, and toys for years.
