PRESIDENTS MESSAGE by Jerry Majer

The results are in from the member survey concerning choosing a new club charity or staying with CHOC. Thank you to all of you who took the time to respond to the survey. The membership has spoken, and we *will be* looking for a new charity for this year. If you have one that meets our criteria, then please submit it to me for board consideration. After the board reviews the charity then we will have the membership vote on it. We would like to have several options to choose from.

Donna Tillman has once again arranged for a “*Night at the Races*” at **Los Alamitos Racetrack**. She needs 40 people to sign up to make this event a go.

She presently has 30 people signed up. This is an enjoyable and exciting evening for the club. The date is Saturday, June 17th. Please consider signing up to attend so Donna can make this event happen. Check out the flyer in this newsletter which explains this evening.

Our Charity Liaison, Jim Gardner, will be stepping down from this position. Jim has served us well for many years in this volunteer position with the club. The board would like to **thank him** for his service. Jim’s stepping down creates a vacancy so I am looking for a volunteer who would like to take on this position. Again, it is a volunteer non-voting position that does not require your presence at the board meetings. Please let me know if you are interested.

Hope all you members have been following our CSC Caravan, heading to Bowling Green, on Facebook. This small group of 8 have been making stops and posting fun pictures on our Facebook page.

The weather is certainly nicer now and with longer daylight hours we are doing **Corvette-of –the-month** again. So, drive your Corvettes to the General Membership meeting and you and your beauty may be the big winner.

Until next time, keep it safe!

Jerry

VICE PRESIDENT REPORT by Dick Bottis

CSC is On The Road Again heading to Bowling Green to participate in the NCM Bash.

As I am writing this we are on day 6 of the trip. We were scheduled to drive the Tail of The Dragon but the weather isn't cooperating. We are changing our plans to do a tour of the Jack Daniel's distillery. So far we have visited the National Boarder Patrol Museum in EL Paso, Texas, the Permian Basin Petroleum Museum in Midland, Texas, stopped at the Texarkana Post office and Court house Texarkana in Texas/Arkansas, and Sun Studio's in Memphis, Tennessee. We will be back home on May 8th.

April events:

April 1st, CHOC follies hosted by Marie Chance

April 14th – 15th Long Beach Grand Prix IMSA race led by Steve Tillman

The SoFi stadium tour, hosted by Rodney Lineweber, is scheduled for Sunday May 21st at 2:45 pm. The cost is still \$44 per person. If you plan on attending, please make sure you get your money to Rodney no later than May 1st.

Donna Tillman is working on our biannual CSC Night at the Races, Saturday evening June 17th. She needs a minimum of 40 people to secure the venue. Linda and I have attended this event several times and it is a great event. Watch the newsletter for additional information.

Herb Farrington is putting together another CSC at the LA Angles game. He is looking at getting us a suite again this year. If you are interested, please let him know. Date August 3, 2023.

The American Legion car show is just five months away. I will start handing out flyers when I return from the OTRA trip. If you would like to sign up for one of the committees, please contact the committee chair. Also, we are looking for donations for the regular raffle and the Chinese raffle. If you would like to donate, please contact Herb Farrington or Steve Tillman.

TREASURER'S REPORT by Herb Farrington

CSC Finances

Our CSC finances are still in good shape. The Board audited the CSC books at the April General Meeting and verified the bank and petty cash balances. As always, I will have the current CSC financial sheet available at each General Meeting for members to review.

Suite at Angels Stadium: August 3

Last year we had a great time living it up in the luxury suite at Angels' stadium. Several attendees said "let's do it again." We have enough sign-ups this year, so I reserved a Suite again. It will be on Thursday, August 3 versus the Mariners. Spots are going fast, so if you are interested, be sure to sign up ASAP. I have been bringing a sign-up sheet to our General Meetings. If you have any questions, please contact me.

National Corvette Museum (NCM) Banner

In 2022, we were unable to order a NCM Banner for our club due to lack of advance funding. By the time funding was approved, NCM had already sold out the available banner spots. To avoid this in 2023, several CSC members volunteered to contribute in advance for a 2023 banner. Because of those contributions, we were able to reserve a spot for 2023. We look forward to seeing our banner flying when we visit NCM this year.

We are again raising money, for next year's banner. We hope that you will contribute. You can contribute at our monthly General Meeting. For those of you not attending those meetings, please consider sending a check, large or small, payable to CSC, with the notation "NCM Banner." Checks should be sent to:

Herb Farrington, Treasurer
13936 Grambling Circle
Westminster, CA 92683

Huntington Beach Concours d' Elegance: June 4

Each year, a group of CSC members enter the HB Concours and we're doing that again. It's held at Huntington Central Park. In past years, we've taken home a batch of trophies. Corvette is the featured marque this year. It's on Sunday, June 4. A sign-up sheet will be at our General Meetings. I hope you join us.

Vice President Dick Bottis took pictures of the San Antonio Winery tour and the Long Beach Grand Prix. He also posted the pictures on the CSC club website. Dick also provided the high-definition pictures to me to add to the club yearbook.

So, I added the Winery tour and the LBGP pictures to the CSC yearbook.

NATIONAL CORVETTE MUSEUM

By Steve Tillman—NCM Ambassador

Steve.tillman425@gmail.com

National Corvette Museum Events:

The Michelin Bash is (was) April 27-29 at the Museum. We have several CSC members who will be in attendance, and next month I will report on how it went.

Corvette Racing:

April 15 was IMSA racing at Long Beach. The #3 Corvette C8.R finished 2nd in class. It was a clean race and Jordan Taylor did a great job in the last stint getting around the #9 Porsche to get second place points. After three races, the driver team of Antonio Garcia and Jordan Taylor is in third place in season point. Next up is WeatherTech Raceway Laguna Seca in May. We were told, during a Corvette Racing presentation at the Corvette Corral at Long Beach, that next year Corvette plans to run two of the new C8.R Z06 GT3 cars in IMSA GTD Pro, and two in GTD Am.

Sunday, April 16, was WEC racing at Portimão, Portugal. It was a 6-hour race, and Nicky Catsburg showed his skill and experience in the last stint to hold off a Ferrari and take the win-in-class for Corvette Racing. That Corvette driver team has a big season-points lead going into the next race of the season, a 6-hour race at Spa-Francorchamps in May. That will be followed by Le Mans in June.

Vettecademy:

Season III is underway. You'll find the various episodes on the museum website. They are both entertaining and educational. Check them out.

Corvette Raffles:

Remember, Corvette raffle tickets are still available for sale outside of Kentucky. There is a downloadable form on the NCM website that you can use to purchase raffle tickets via the US mail.

The museum website gives you all of the option details on each car up for raffle.

Webmaster Musings

May 1, 2023

The new GoDaddy corvettesofsocal.org site is up and running but there are a few issues Dick is helping Melinda with in terms of corrections, etc. When the website was copied over, some of the code did not copy correctly. However, given the current situation with Melinda's mom being in the hospital and step-dad falling and having to spend the day in the emergency room too, things are now a little behind. Please be patient as we get things up and running the way we want them to be.

CORVETTES OF SOUTHERN CALIFORNIA

AN EVENING AT THE RACES

at Los Alamitos Race Course - June 17, 2023

When: Saturday evening, June 17 – about 5:30 pm (exact time TBD)

Where: Los Alamitos Race Course – Vessels Club
4961 Katella Ave., Los Alamitos, 2 miles east of the 605

Cost: **\$65.95 pp (must have a minimum of 40 people)**

This will be the 6th time CSC members have enjoyed an ***Evening at the Races*** at the Vessels Club at Los Alamitos—the last time being the summer of 2019. We’ve always had a good time, with good food and excellent seating on the patio overlooking the finish line.

The evening will include:

- Admittance to the race course and Vessels Club
- Dinner at the Vessels Club
- A “Corvettes of Southern California” featured race
- Photo opportunity for (at least) six of us, taken in the Winner’s Circle after the CSC featured race.
- Preferred parking for Corvettes of Southern California
- And of course, the chance to win lots of \$\$

Los Alamitos Race Course has live racing at the course on Saturdays and Sundays, and this package through their Vessels Club is only available on those days. Because of that, in order to get the date we want, it needs to be reserved **ASAP**.

We had 24 people sign up at the March meeting, so we need at least 16 more to feel confident in sending a 50% deposit to hold the June 17 date. Please feel free to invite friends or family members to join us for this event.

If you haven’t already signed up, and would like to attend, please contact me as soon as possible so I can reserve our date with Los Alamitos.

2023 Historic Prescott Corvette Car Show

Volume 1, Issue 1 February 23, 2023

prescottvettesette.com

You are invited to participate in the **17th All Corvette Car Show** hosted by **Prescott Vette Sette** on Saturday September 23. As before, the car show will be held around the picturesque Courthouse Plaza in downtown Prescott. This year, we will significantly increase registration by filling Goodwin Street with Corvettes. We expect to have 300+ cars on display as we did last year. So make your vacation plans and reserve rooms now.

Registration for the Car Show opens April 1st 2023

Activities that are planned in addition to Saturday's Corvette Car show: **Early check-in** Thursday evening and Friday will again be at the Hassayampa Inn - our Host Hotel of the car show. Then enjoy their 'Stingray' drink in the bar - or better yet on the patio!

The very popular **Poker Run** will be held **Friday morning**. This year we expect to register perhaps 100+ drivers and of course that means a larger prize for the Winner and the Loser. Expect a new and exciting drive that will show off the Prescott area in a different way.

We are trying to arrange a **Friday afternoon hand-car-wash** volunteered by students of Embry Riddle Aeronautical University. They have been car show volunteers (behind the scenes) for years. Donations will reward them for their support of our car show, so be generous.

We are very excited to tell you about our plans for **Friday and Saturday evening**. How about on **Friday Evening**, a "good 'ol Fashioned Street Dance" and sponsored by The USVets Prescott. The Whiskey Pistols, a terrific local band will provide the music. We plan to have a Beer/Wine Bar plus some heavy snacks. The corner of Montezuma and Goodwin St. will be our Dance Floor from 5:00 pm to maybe 9:00 pm. **Saturday Evening** please join us for the 1st Annual **Awards Party** and a great Bar-B-Q Dinner with the Whiskey Pistols again, providing the entertainment. This memorable event will cost only \$25/person and we are sure it will sell out. Our hosts for the fabulous food and great venue, will be the Manzanita Grill and Bar inside the main Clubhouse of Antelope Hills Golf Course (next to the Airport on the way to Williams and I-40). The Awards, prizes and gifts will be given to you, our guests, as we try to Thank You for your participation.

Be sure to tell all of your fellow Corvette friends that did not come !

IN THE NEWS—Page 1

800-HP Twin-Turbo ZR-1 And 1000-HP Zora Hybrid

Picture Credit:: Car and Driver

Based on the May 2023 Issue of Car and Driver, the C8 ZR-1 and the C8 Zora are in the works. The ZR-1 is expected to be a twin-turbo version of its screaming flatplane-crank V-8 currently in the Z06. The Zora will take it one step further and add in the E-Ray's electrification!

It is estimated that the ZR-1 will have 800-HP driving the rear wheels and the Zora will have 1,000-HP and AWD.

The untold story of the C8 was to ultimately go for the throat of Lamborghinis, McLaren's, or anything with the word "hypercar" or "exotic" in its dating profile. Those whispers will become a reality in the next couple of years with the arrival of two ultra-high-performance Corvettes: the ZR-1 and the Zora.

The ZR-1 is rumored to be released in 2025 with the Zora coming sometimes afterwards. Both the ZR-1 and the Zora are expected to incorporate active aerodynamic elements, such as a rear wing and a front splitter, and offer a Z07-style track package. Though the ZR-1's weight will presumably rise by about 200 pounds over a Z06 due to its new turbo componentry and greater powertrain-cooling requirements, it will be the quickest Corvette around a racetrack while remaining as comfortable on the street as a Z06. Its performance will put it in contention with everything from the McLaren 750S to the Porsche 911 Turbo S. But its base price is estimated to be around \$150,000 and will severely undercut competitors by tens or even hundreds of thousands. The hypercar Zora is estimated to flirt with a starting price of around \$200,000, or about \$140,000 less than a McLaren 750S.
