CORVETTES OF SOUTHERN CALIFORNIA/CSC

was founded in 1956 by six Corvette owners. By October 1957, the club was incorporated in the State of California as a non-profit organization. It is one of the oldest Corvette clubs with more than 100 member families. The use of the Corvette insignia was officially approved as a CSC logo by Chevrolet in 1957.

The specific and primary purpose of this club is to stimulate and promote, through group social and recreational activities on the part of owners of Chevrolet Corvettes, the interest and pleasure in owning and driving our automobiles.

CSC members enjoy competition as well as monthly social events with our Corvettes. These events may be planned by CSC members or by other Corvette clubs. They may include caravans in-state and out-of-state to one-day events or weekend events. Events generally will be a car show, autocross, drag racing, or just meeting for dinner and good conversation.

CSC supports local charities such as the Children’s Hospital of Orange County (CHOC) and the American Legion. Additionally, the club supports the National Corvette Museum, a nonprofit keeper of the Corvette’s past, present and future heritage.

The club meets the fourth Thursday of each month at the **American Legion Post 555, 14582 Beach Blvd., Midway City, CA**. Meetings start at 7:30pm. Guests are always welcome and refreshments are available. The club is proud of its history and the individuals who are part of it. If you feel you meet the requirements for membership, we would like to invite you to join us.
